AI FRONT DESK
By WAppKit | Saghir Ahmad, Founder

DONE FOR YOU - 24 / 7

Never miss another customer. Ever.

Your next customer calls or messages once. If nobody answers, they go to the competitor next door. AI Front Desk answers every WhatsApp message and call, day and night - so the leads you already earn stop slipping away.

62%
of calls to small businesses go unanswered

85%
of callers who reach voicemail never call back

78%
of jobs go to the business that responds first

WHAT IT DOES FOR YOU

- ✓ **Answers 24/7** - WhatsApp and calls handled instantly, even after hours and on holidays.
- ✓ **Texts back missed calls in seconds** - every missed call gets a reply before the caller moves on.
- ✓ **Books appointments** - slots filled, confirmed and reminded, so no-shows drop.
- ✓ **Takes orders and quotes** - no more orders buried in chat threads.
- ✓ **Asks for reviews** - happy customers are prompted at the right moment.
- ✓ **Reports monthly** - a clear count of the leads saved and bookings made.

BUILT FOR BUSINESSES LIKE YOURS

Dental and medical clinics | Salons and spas | Real estate agencies | Car dealerships and service centres | Restaurants | Home services | WhatsApp boutiques

START WITH A FREE 7-DAY PILOT

1. **Missed-call audit** - we show you how many enquiries you are losing now.
2. **7 days live, free** - the front desk runs on your real enquiries.
3. **Results report** - you see the leads saved, then decide.

Speed wins the customer: replying within 5 minutes makes contact up to 100 times more likely. AI Front Desk replies in seconds - every time, on every channel it covers.
